

Correct Target Placement

According to CFO Regulations:

ALL STEEL TARGETS MUST BE AR-500 STEEL and be shrouded by wood when shot.

The Clubhouse steel targets are for **SHOTGUN ONLY** (lead shot).

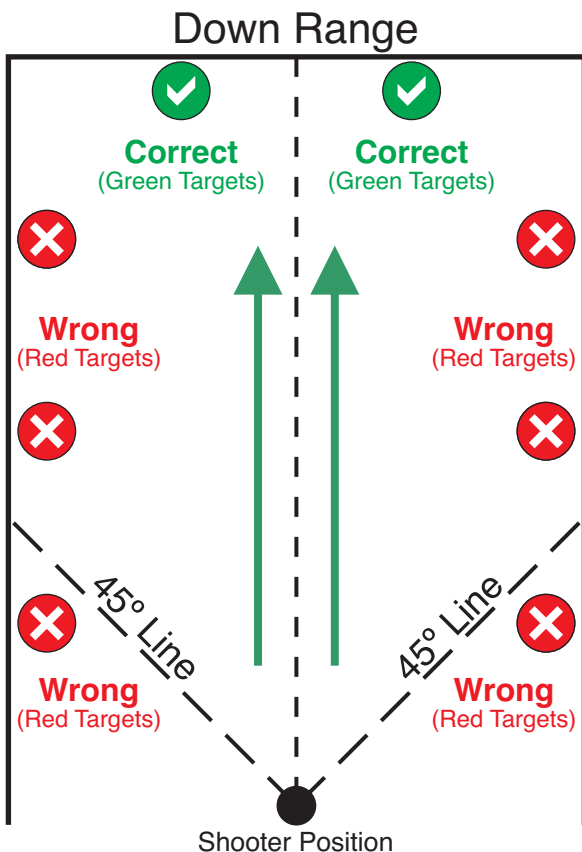

NO HOME MADE STEEL TARGETS, except for .22 rimfire, **ARE ALLOWED UNLESS THEY ARE AR-500 STEEL!**

Self-healing targets are acceptable.

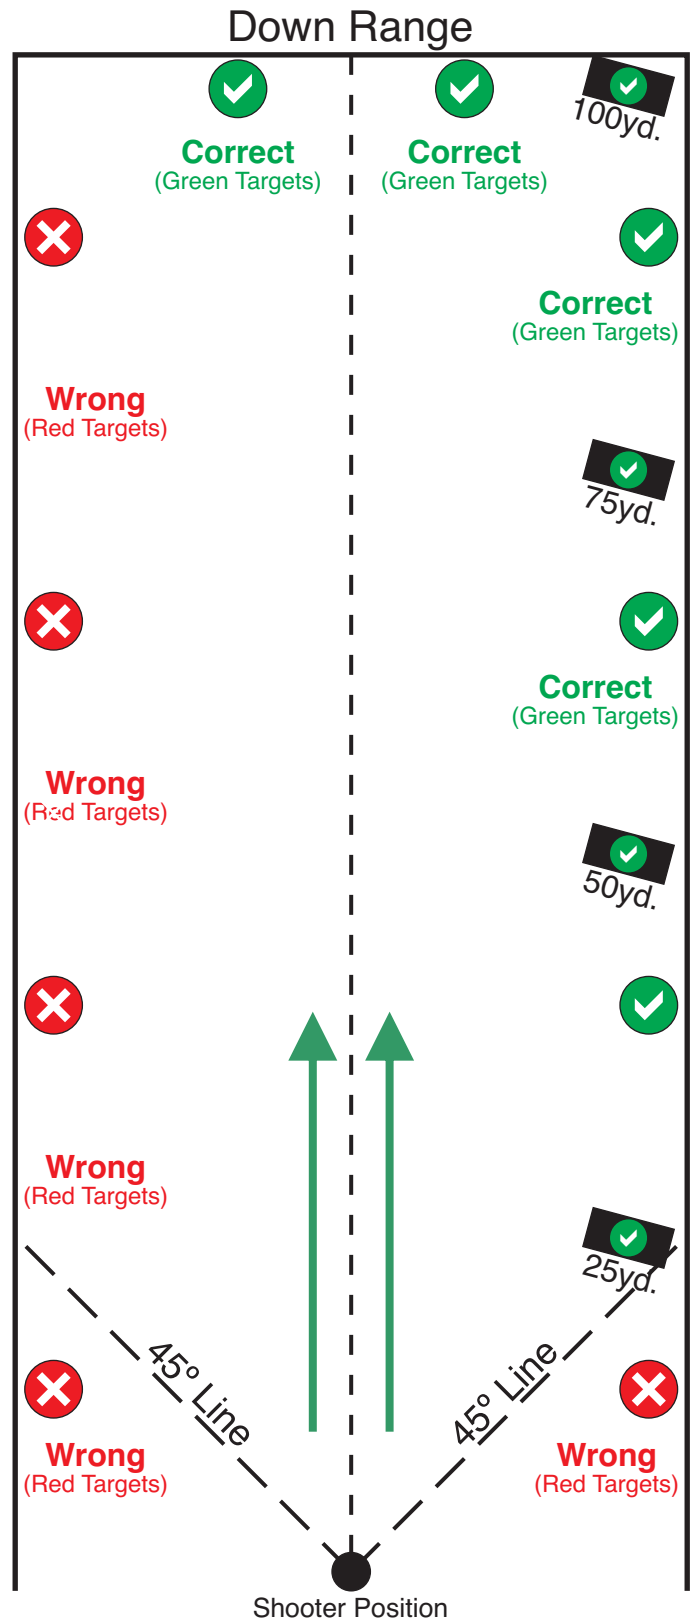

Place all targets **NOT LESS THAN 30 inches** and **NO MORE THAN 60 inches** above the ground.

Place all targets as close to the backstop as possible.

Note the Target Placement diagram to the right and below.
