

Targets

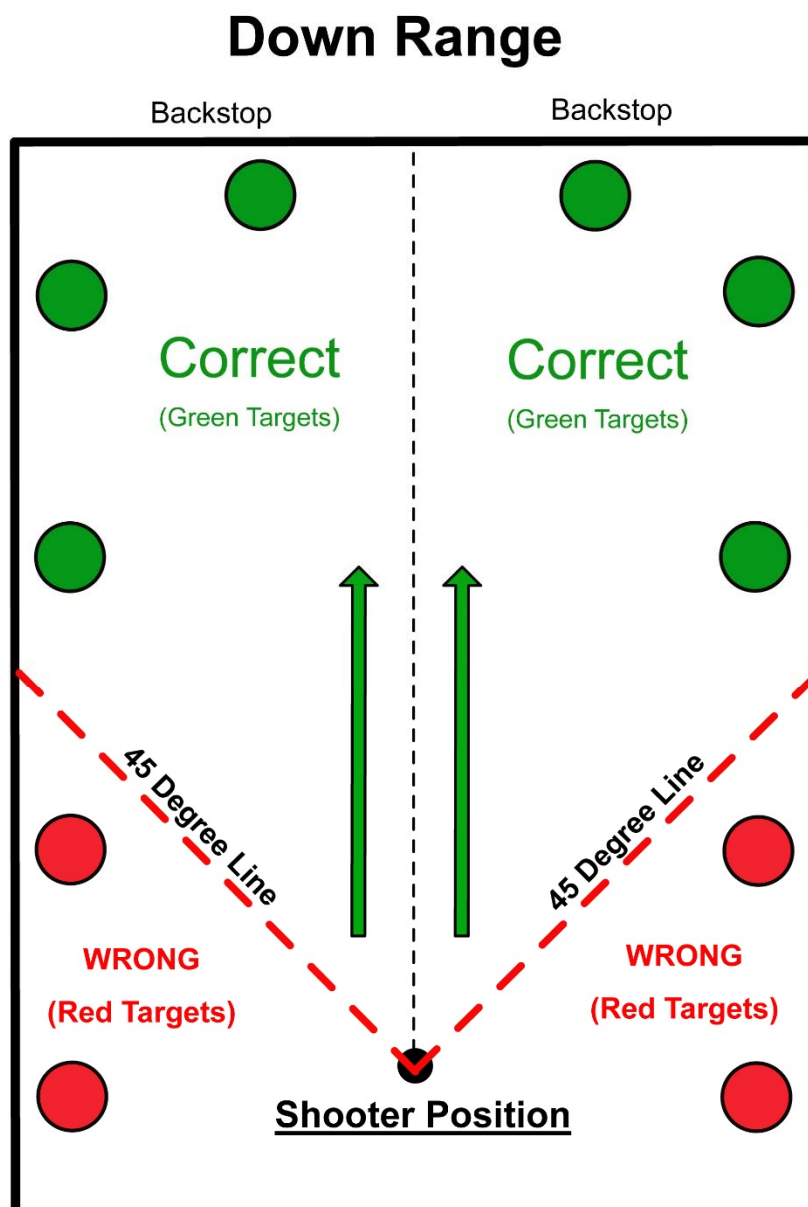

According to CFO regulations: ALL STEEL TARGETS MUST BE AR-500 STEEL and shrouded by wood when shot.

The Clubhouse steel targets are for Shotgun ONLY (lead shot).

NO HOME-MADE STEEL TARGETS, except for .22 rimfire, ARE ALLOWED UNLESS THEY ARE AR-500 STEEL! Self-healing targets are acceptable.

Place all targets NO LESS THAN 30 inches and NO MORE THAN 60 inches above the ground!

Note the Target Placement diagram right:

Correct Target Placement
